**"The Trial"**

**Case #JN10/10**  
**The State vs Jesus Christ**

Dear church family,

We are looking forward to another exciting year here at RSBC. We will begin the new year with a series of sermons I have entitled "Having a Heart for Heaven." Tommy and I are putting together some beautiful music and biblically based messages about the wonderful eternal home Jesus is preparing for us. One goal of this study is to let the reality of heaven change our perspective on living and ministering here on earth. We will discover that God wants us, more than ever, to take as many people to heaven with us as we possibly can.

With that in mind, this spring we are planning our largest evangelistic efforts ever. We are participating in GPS (God's Plan for Sharing), an initiative of the North American Mission Board aimed at fulfilling the Great Commission in the United States by 2020. Partnering with other churches in the county, we want to help take the gospel to the 60,000 in Bartow County who do not know Christ as Savior. Our part will include "prayer walking" several key areas of homes in our own community and placing 3,000 "door hangers" which will include a brochure that contains a Gospel presentation and a promotion of findithere.com—a website containing testimonies and information on how to find life and peace in Jesus. Also included will be information about our church and a special invitation to attend our Easter service. More information about this wonderful endeavor will come shortly.

There's a lot going on here at RSBC. Thank you for your prayers and participation.

Pastor Joe

## Tommytunes.....

Where has the year gone? I can hardly believe that it has already passed us by, time really does fly. There is no slowing down either, we have already hit the ground running for the first quarter of the year.

January brings us a sermon series on Heaven with "heavenly" music from the choir, February is filling up quickly as well; and the month of March we are focusing on GPS! As Pastor Joe mentioned, we'll be going door to door praying for each home and hanging bags on them. I'm looking forward to seeing many more people involved in this outreach effort for our community!

Let me go ahead and put in a plug for our Easter Celebration as well, it being the first weekend in April. We wanted to go ahead and get that information to you.

It's going to be on Friday and Saturday night, April 2nd—3rd @ 7:00! This will be both music and Drama. I believe it will be a powerful message to all those who are here, and we are praying it will be a great first impression on some visitors that we reach through our GPS efforts.

Stay tuned for more information to come on both GPS and Easter, and of course, we want you to be praying about your participation!!

One more thing.....don't forget about Sunday School!!! We have some great teachers and I know they are excited about the New Year and want everyone to be a part of Bible Study!! Let the New Year find you digging deeper in God's word!

'Til the Trumpet,  
Bro. Tommy
